A DRAMATIC DELIVERY

Dear Friends and Loved Ones,

We have so much to be thankful for here at the Christian Center in Vyborg. The Lord has answered many prayers for our ministries over the past twenty-two years. One of the major ministries is distributing Bibles and New Testaments all over Russia. After waiting four days for a truckload of new Russian New Testaments to arrive from Minsk, Belarus, the truck arrived on the last dry morning, just before our autumn rains began. A crew of men from the House of Hope Rehabilitation Center, along with Pastor Valera and Aleksey Glushkov, unloaded the whole load of 8,000 New Testaments in record time. Over the last thirteen years, 325,000 New Testaments have been printed with the Christian Center's contact information on the title page—thanks to our friends from Chattanooga, TN.— BIM!.

The Truck Arrives!

The Courageous Crew!

A Tight Fit!

With Praise and Thanksgiving to our Wonderful Lord and All-Sufficient Savior Jesus Christ,

Richard & Judy Grout
